To Whom It May Concern:

Mark Goldberg worked for me as one of the editors on the NBC documentary special "Destined To Live," which won the 1989 Women In Radio and Television Award, the 1989 Humanitas Award and a Emmy nomination for best directing.

Mark edited several interview segments which included Nancy Reagan, Jill Ireland and Jill Eikenberry. Mark required very little direction, took changes exceptionally well and worked very quickly to create concise dramatic segments.

It was a pleasure to work with Mark and I would recommend him for any interview or documentary based program.

Sincerely,

Linda Otto
